

The CTM Christmas meal and visit to *Bodegas Torres*

On December 21 of last year, the celebration of the *CTM Centre Tecnològic* Christmas meal was the occasion for a visit to *Bodegas Torres*, located in the town of by a group of some 75 people.

The group set out from Manresa at 10 in the morning and arrived at the *Bodegas Torres* visitors' centre at around 12 midday. The tour started in the visitors' centre itself, where a video was shown explaining the process involved in preparing wine, the different varieties, the history of the winery, and both the traditional and modern methods used by the Torres winery when preparing its wines.

Next, a small train carried the group through the facilities, where the reception of the grapes could be seen, the vinification area and extensive cellars (such as *Cava Josefa*), and the procedures used for the planting and harvesting of grapes in the winery. The visit ended in the wine-tasting room, where some of the many excellent wines of Penedès were sampled.

At 14.00 hrs a meal was served and a further sampling session of the wines, muscatel wine and brandy of *Bodegas Torres* took place. The meal was enjoyed in *Mas Rabell*, the private restaurant of the Torres family, located in a refurbished medieval farm house.
